

Log on Help

The Member Log-in icon is located at the top right corner, on all pages of the website.

It's the little blue head with the word Log in beside it. See the example to the right. Click on the forgot password link.

The reset password page will appear. Enter your email. You will be asked to type 6 odd-looking 'Captcha' characters to prove you are human, not a bot.

Trouble reading the characters? You can generate a fresh code using the 'refresh' button on the right, or have the characters spoken to you with the audio button.

You will be sent an automated email from PROBUS Club of Clarington to reset your password, you will be sent a link to click on. Check your spam email if you do not receive this email in a few minutes.

That link expires after a certain period of the time. Delete this email after your password is reset, and do not attempt to re-use this link, for security reasons. (Re-use might lock you out the account.)

When you click on the link you will see the Reset your password page. Pick a password and write it down. The password rules are below.
